STUDY & WORK IN GERMANY

German language courses & programs for your professional or academic future in Germany

More than **35 years** of experience

Welcome to IIK Deutschland

IIK Deutschland is a language-focused educational institute founded in 1989. We offer German courses for professionals, integration and vocational language programs, as well as continuing education for teachers and trainers. Our work is guided by the belief that language connects – in education, in the workplace, and across cultures. We are a member of prestigious organizations and collaborate with governmental institutions worldwide.

BERLIN Campus
Wonderfully diverse and rich in history

As a multicultural capital city with 3.9 million inhabitants, Berlin stands out not only as the center of German politics, but also as a world-renowned hub of culture, fashion, clubbing, and creativity.

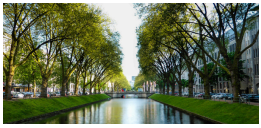

DÜSSELDORF Campus
Quality of life at an international crossroads

Düsseldorf is a lively and welcoming city known for its high quality of life and international flair. With a large expat community it is easy to feel at home and get around.

650+
courses per year

100+
teachers

9.000+
participants per year

75.000+

Good to Know – About Our Courses

What format is employed for course instruction?

- **Face-to-Face:** This format takes place in the classroom – with the option to join every session live online thanks to our hybrid setup. All classrooms are equipped with state-of-the-art technology, ensuring smooth interaction between the teacher, online participants, and those attending in person.

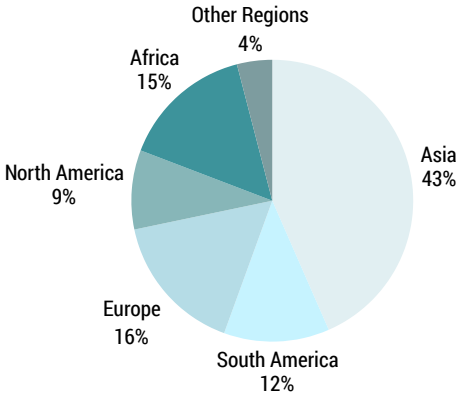

- **Live-Online:** Participate from the comfort of your home, while traveling, or on-site. Benefit from our learning zones and IT services, such as iPad lending, at our training centers and connect with fellow course participants in our café or during leisure activities.

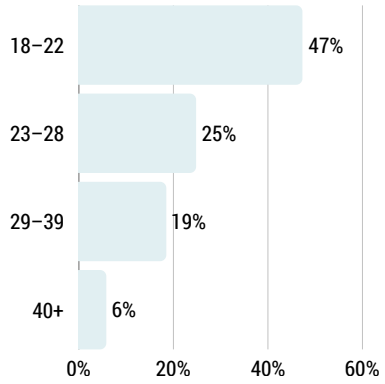

Levels *(4 weeks each)*	1	2	3	4	5	6	7	8	9	10	11
	A1.1	A1.2	A2.1	A2.2	B1.1	B1.2	B1+	B2.1	B2.2	C1.1	C1.2

We offer instruction at **all levels from A1 to C1** of the Common European Framework of Reference for Languages and provide intensive learning programs for beginners without prior knowledge.

Study or Work – What Is Your Goal?

Studying: Do you have direct or indirect access to German universities?

DIRECT

University Pathway Program

Intensive German language learning allows you to swiftly attain the proficiency required for university applications. You can freely apply to German universities, and we are here to assist you with our student advisory services.

Page 6

INDIRECT

German Foundation Year

In this program, you first study German up to level B1 and then spend 10–12 months preparing for the final examination (FSP) at a partner college.
After successfully passing the exam, you will be able to study at universities in Germany.

Page 7

Working: Do you have a recognized professional qualification in Germany?

NO

Vocational Education Program

The program includes a German course that prepares you for exams necessary to begin vocational education in Germany.
Participants are matched with companies in Germany and continue to learn German both before and during their education.

Page 10

YES

Career Pathway Program

The program assists international professionals in navigating the German job market. It features intensive German language courses, career counselling, and provides support with visas, housing, administrative tasks, and a leisure program.

Studying in Germany

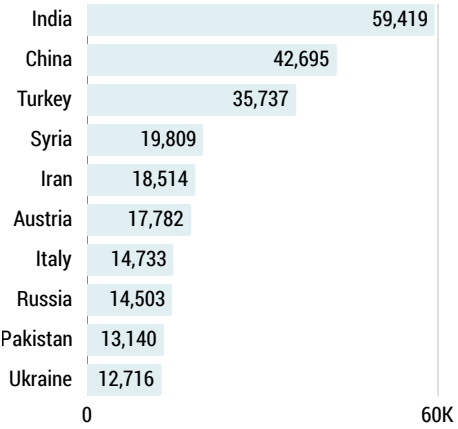

Reasons to study in Germany:

- **High-Quality Education:** Germany is home to some of the world's top-ranked universities, known for their strong academic standards, innovative research, and practical orientation.
- **Low or No Tuition Fees:** Most public universities in Germany charge no tuition fees for undergraduate and many graduate programs, even for international students.
- **International Environment:** Germany attracts students from all over the world, creating a diverse and multicultural learning environment.
- **Strong Job Market and Career Opportunities:** Germany has a robust economy and a high demand for skilled professionals. Students can work part-time during their studies and have good chances to find job opportunities after graduation.
- **Rich Culture and Central Location in Europe:** Studying in Germany offers the chance to experience a rich cultural heritage, vibrant cities, and beautiful landscapes. Its central location in Europe also makes it easy to travel to neighboring countries.

“I’m learning German to build a career in Germany.”

Working in Germany

Why pursue a career in Germany?

- **Robust Economy & Job Market:** Germany stands as Europe's largest economy and is worldwide highly regarded as one of the most appealing destinations for foreign workers.
- **Elevated Demand for Skilled Workers:** Each year, approximately 200,000 skilled worker visas are granted. The Skilled Immigration Act and the "Opportunity Card" simplify the process for qualified professionals to relocate to Germany.
- **International & Inclusive Environment:** Germany hosts more than 14 million foreign residents, making up 17% of the population.
- **Work-Life Balance & Social Benefits:** Germany offers generous vacation time, parental leave, and a strong healthcare system. Workers benefit from employee protections and collective bargaining agreements.

Sector	Key Roles in Demand
Healthcare	Nurses, Doctors, Elderly Care Workers
Information Technology (IT)	Software Developers, AI Specialists
Engineering	Mechanical, Electrical, Civil Engineers
Skilled Trades	Electricians, Plumbers
Green Energy & Sustainability	Energy Managers
Education	Teachers, Language Instructors
Logistics & Manufacturing	Machine Operators
Finance & Accounting	Accountants, Compliance Officers
Hospitality & Food Services	Chefs, Hotel Staff, Service Workers

Accommodation

Finding the right accommodation is crucial to your study experience. We offer various lodging options to suit your needs and budget, all conveniently located near campuses and public transport.

Host Family
Immerse yourself in German culture by staying with a local host. Our host families consist of both partner households and individual hosts, all of whom are personally vetted and experienced in warmly welcoming international students.

Student Apartments (shared)
Live together with other students in a shared apartment. You will have your own single or double room and share the kitchen and bathroom. It is a great way to meet new people and enjoy student life.

Private Studios
Enjoy full privacy and independence in your own furnished apartment. We offer a limited number of private apartments for participants. Equipment and prices may vary, but all apartments are suitable for a comfortable stay during your course.

Double Room Student Apartments	**€ 550/month**
Single Room Host Family / Student Apartments	**€ 750/month**
Single Apartment Private Studios, availability on request	from **€ 900/month**

Information and Contact Details:

Summer surcharge: € 100 for 4-week bookings between June and September

Leisure Program

At IIK Deutschland, learning does not stop in the classroom. Our leisure program gives you the chance to explore the city, meet new people, and experience German and European culture up close – whether it is a guided city tour, a museum visit, a sports activity, or a weekend trip to another city.

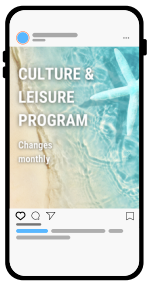

Make friends from around the world, enjoy unforgettable moments, and turn your stay into a true adventure. Because learning a language is not just about grammar – it is about living the language.
